O

### CAREER OBJECTIVE

Driven computer science student with good practice in C, C++, Python, Java, and web development languages, seeking to leverage my knowledge and passion for cybersecurity and full-stack development to contribute innovative solutions to complex challenges. Eager to apply my skills in web development and cybersecurity to create secure and user-friendly applications, while continuously expanding my expertise in cutting-edge technologies.

### PROFILE SUMMARY

Dynamic and results-oriented computer science student with a foundation in C, C++, Python, Java, and various web development languages. Possessing a keen interest in cybersecurity, I am dedicated to safeguarding digital assets and creating secure systems. With a solid understanding of both backend and frontend technologies, I excel in full-stack development, adeptly crafting robust and user-friendly applications. My experience includes hands-on projects in web development, where I've honed my skills in HTML, CSS, JavaScript, and frameworks like Springboot, Swing. Additionally, my coursework and extracurricular activities have equipped me with a comprehensive understanding of cybersecurity principles and practices. Known for my problem-solving abilities and attention to detail, I thrive in collaborative environments where I can contribute my expertise to develop innovative solutions to real-world challenges. Eager to further explore the intersection of web development and cybersecurity, I am committed to continuous learning and staying abreast of emerging technologies in both fields.

### ACADEMICS

Duration	Qualification	GPA	Percentage
2021-25	B.Tech. in Computer Science and Engineering from Alliance University, Bengaluru	-	-
2018-20	Class 12 from Sri Chaitanya Junior college, Guntur, Andhra Pradesh	8.5	85%
2017-18	Class 10 from Narayana E - Techno School, SSC, Guntakal, Andhra Pradesh	9.8	98%

### Value Added Certificates

#### DADB (German Academy of Digital Education)

5G Technology	<ul style="list-style-type: none"><li>Understanding 5G Fundamentals</li><li>Emerging Trends and Future Directions</li><li>Technical Proficiency</li><li>Regulatory and Policy Considerations</li></ul>
---------------	--

	<ul style="list-style-type: none"> <li>• Practical Implementation</li> </ul>
--	--

#### TECHNICAL SKILLS

- Problem Solving – C
- Problem Solving – Python
- JAVA Programming
- Web Development
- SQL

#### SOFT SKILLS

- Creative Thinking
- Problem Solving
- Critical Thinking
- Communication Skills
